

Membership Benefits

Our Mission

Our mission is to foster and achieve a healthy economic climate for everyone in the Mashpee area through the unity and efforts of our membership.

Networking Opportunities

Monthly **Business After Hours** allow Mashpee Chamber members to meet in a relaxed, fun atmosphere. These events are a great way to build business relations with others in the community. Hosting an After Hours is a great way to showcase your business.

Lunch & Learn events are also a great way to engage in community relationships. Your business may have advice or abilities to share with other Chamber Members. Your business may sponsor these events. Your business may be suited to providing lunch for one of these events. Or, you and your employees may find these events informative and useful.

Mashpee Magazine

Every Spring, the Mashpee Chamber of Commerce publishes a full color guidebook with a complete member directory. This annual publication is both informative and entertaining. It includes feature stories and beautiful photographs of the people, places, and events that put Mashpee on the map. It also highlights everything there is to see and do in Mashpee. Over the years, it has become a valuable resource for residents and visitors.

With distribution of 30,000 copies at visitors' centers throughout Cape Cod, restaurants, resorts, points of interest, and as an insert in the local newspaper delivered to every household in Mashpee, the Magazine is hard to miss. The Mashpee Chamber of Commerce has two information sheds and an office where the magazine is also available. In addition to the paper copies, a digital version of the Magazine is available for free online at www.mashpeechamber.com

As a member of the Mashpee Chamber, each business gets a complimentary listing in the directory, is welcome to submit events for consideration, and purchase advertising in the full color Magazine.

Community Events

The Mashpee Chamber of Commerce's mission aims to bring businesses closer to the communities they serve. There are many opportunities to volunteer and/or sponsor fun events that draw community members and visitors. Members are invited to volunteer at events in order to further draw awareness to their presence in Mashpee. Sponsoring events increases business visibility and can be aimed at specific consumer groups depending on the type of event. Or join one of our event committees, with added local networking opportunities and chances to enhance business relationships.

Our annual Community Events include Ladies' Night Out, our Annual Dinner, Annual Golf Tournament, La Tavola the Italian Feast Under the Stars, 10K Road Race, Girls' & Dolls' Day, Christmas Parade, and Twelve-Days-of-Christmas Online Live Auction.

MashpeeChamber.com

In 2014 the Mashpee Chamber of Commerce with Coastal Mountain Creative, designed and launched a brand new website with the needs of community and our members in mind. All members receive a complimentary profile and listing on the Chamber's website, which includes direct links to all members' websites, facebook and twitter as well as listing email, phone number, fax number and location. The site also hosts local area news, press releases, community events and the ability to pay for events online, sign up for emails, and more. The new site is mobile-friendly, and user-centered, with appealing space for advertising.

If your business does not have a website, the Mashpee Chamber website can host your business or organization's information on your profile, with limitless space for content, images, videos, and interactive elements such as maps and virtual tours.
